***Assumption Parish Mission Statement***

Assumption Parish is a culturally diverse and vibrant Catholic community which strives to grow as followers of Jesus Christ. We do this by accepting the challenge to build a Christ-centered community that draws on the wisdom of our seniors and the energy of our youth. We are committed to Catholic education at various levels. We are nurtured by inspired Liturgy, active and enriching faith formation programs, and inclusive family ministry, all of which enable us to share our gifts of time, talent, treasure and vision with our parish family and surrounding communities.

## *A Word from the Pastor*

“The day the Lord created hope was probably the same day he created Spring.” – Bernard Williams

The above quote reminds me of the beauty that is spring. The renewal of life, the shoots of green grass coming up and the awakening of the earth and all her inhabitants. The cycle of life begins anew and so does our spiritual life. We celebrate life and a renewed hope with the resurrection of our Lord. It is through the saving power of Christ that we enter into a new day, a new season where we witness life coming forward from the darkness that is winter. From death comes life and life is promised to us at our birth and baptism.

This has been a difficult year for all of us and especially for those who lost a loved one during this time. But we rejoice at Christ' resurrection for he promises us a life after we pass from this one to the next. That promise is made when the priest signs us with the Father, and of the Son, and of the Holy Spirit. Those three words and that action that takes place guarantees us that life exist after this one. We are a very blessed people to have such a love in our lives, to know that God in His infinite wisdom thinks so much of His creation that He leaves the doors open for us to walk in provided we accept His invitation to enter. That invitation God offers is only accepted if we truly wish to be with Him. God gives us that freewill to accept that invitation and reconcile our friendship with Him. He gives us every opportunity to be with Him by forgiving us our sins and He forgives by sacrificing His only Son. What parent would be so generous and willing to do that? To give up a loved one in order to save others?

As we continue on into the Easter Season and preparing for Pentecost, let us remember to keep each of us in prayer and to especially remember the poor, disenfranchised, the homeless and the sick. As Catholics we are given the responsibility of caring for those less fortunate than we, therefore giving us stewardship over all of God's creation. God bless.
