5th Sunday
IN ORDINARY TIME

Jesus said to his disciples:
"You are the salt of the earth.
But if salt loses its taste, with
what can it be seasoned? You
are the light of the world. A
city set on a mountain cannot
be hidden."
- Mt 5:13a, 14

Elementary Faith Formation

Congratulations to those who Celebrated First Reconciliation.

Last Saturday twenty eight students received the Sacrament of Reconciliation for the first time.
They encountered God's love, grace and mercy in this beautiful Sacrament!
May God's blessings be upon them on this very special day of their First Reconciliation.
Each child lit a candle as a symbol of the light of God's love shining in them.

Now their journey to receive Him in the Sacrament of First Holy Communion this spring continues.
Please keep them in your prayers!

International Day of Prayer and Awareness Against Human Trafficking - February 7

Bishop Michael Barber invites our parish community to join him for a prayer vigil in support of the International Day of Prayer and Awareness Against Human Trafficking. February 7, 2023 from 5:30 to 6:30 pm at St. Anthony-Mary Help of Christians Parish, 1610 E. 15th Street in Oakland.

Our inner-city parishes are faced with increasing crimes targeting victims caught in the cycle of human trafficking. Together we will gather, pray, and raise awareness of the impact of this vicious cycle and its effect on our community. Local officials, community leaders and members of the Oakland Police Department have been invited. We encourage all faithful to attend and lend their prayers. The prayer vigil will be outdoors, weather permitting.

World Day of the Sick Mass - February 11

On Saturday February 11th, both the Archdiocese of San Francisco and the Diocese of Oakland will join to celebrate the World Day of the Sick Mass at the Cathedral of Christ the Light. We encourage the sick in our parish community to attend this very special Mass and be anointed.

Eighth Graders Share their Beatitude Reflections on how they have been favored by God

In the past 2 years I have been at Assumption School God has favored me by giving me my mom and dad. They have supported me throughout the time I have been here. On my first day of school here I didn't have any friends. My parents and brother were my best friends at that point. Then I started to have friends closer to the middle of the year. But I wouldn't have been able to without my parents saying "you'll make friends, you fit in anywhere." That gave me the confidence to go talk to people and create friendships. My mom and dad have helped me throughout the school years making sure I do all my homework and have good grades. But my dad also says "If you need help with anything you can come to me I will drop my work to help you, do not hesitate to ask." I am so happy I have my dad there for me to help me when needed. My mom is also always there for me if I need help since she is like a math genius. I would not have been able to get through my two years at Assumption without my parents, friends, teachers and staff. Thank you. As I transition into my 4 years of high school I will still have the help of my mom and dad but also my counselor at the High School I attend. I know High School will be hard since I have an older brother who is a sophomore at Bishop O'Dowd. High School has been hard for him but he has been really successful because he has been using his resources wisely like my dad and his counselor. I know if I do the same thing as him I will be successful like him too. I mean being better than your sibling could be one of the greatest accomplishments I could ever do. I know High School will be hard and there will be lots of challenges coming my way but if I try my hardest I know I will be successful and High School will become easier. My prayer is Blessed are those who are less fortunate without the resources many other may have. Blessed are those who are loving and supporting of many others, for those people may seek God. - **Teryn G.**

In my time at Assumption, I have been favored by God in many ways. First of all, I was able to go to Assumption since I was little. I went to a good preschool that prepared me for kindergarten. At Assumption, I have learned how to speak up for myself and find solutions to problems that arise. I have been given opportunities to go on educational fun trips to places like Sacramento, Museums, Washington D. C., and outdoor science camp (Caritas). I have spent countless days in classrooms asking questions and learning new things. I am favored by God/blessed when I am able to get my work done quickly or when I am challenged I and pushed to be better. Little things throughout my

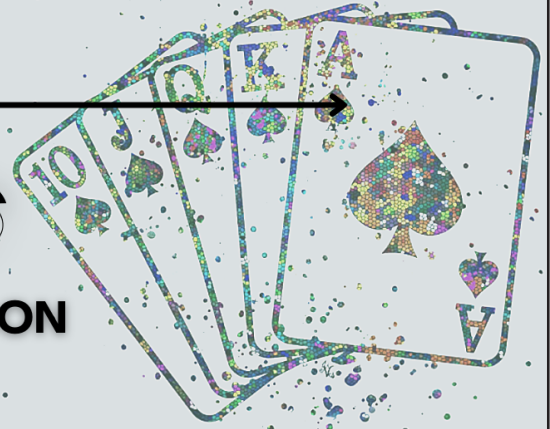

years have showed me, and for that I'm grateful. Over my time at Assumption, I have met many classmates and teachers who have been kind and compassionate to me, which has helped me grow. I have been blessed by God when he gave me my parents. They encourage me when I am down and listen to my troubles. They are caring and in the songs today, they exemplify certain Beatitudes. In the verses in "Broken for the Broken," they send Christ to those in need, such as the Hungry ones, the Lonely ones, and the voiceless ones. These things are similar to the Beatitudes because they show that Christ will comfort those in need or those who are humble and kind. In the Beatitudes, it shows that those who have goodwill built up will have a good life in heaven. This can infer from that the good that you do in earth will be repaid for you in heaven. However, that does not mean that you should just do good just for the reward. You should do things because you care, because you want to help others. One Beatitude is Blessed are the pure in heart, for they will see God. This means to me that those who are kind and generous and Christlike will see God in everyday things that others may not see. It shows that God will bless those who do his work. Another Beatitude is Blessed are the peacemakers, for they will be called sons of God. This is saying those who make the world a more peaceful and equal place will be blessed by God. An example of a person who exemplified this was Martin Luther King Jr. Another person that is a peacemaker and activist is Malala Yousafzai. However, little things you can do can also exemplify this Beatitude as well as the big things. The values that the Beatitudes say I have learned about and throughout my years at Assumption from older students exemplifying them, teachers, and daily play or class. I can bring these values to whatever high school I end up going to and can influence my new friends there to do the same. All that I have learned at Assumption will help me in high school like advocating for myself and working hard on difficult subjects until I can succeed. -**Rachel**
